

The Spirit of Art

Suzanne Taylor Lakeside, AZ 928-242-3285

Suzanne has been interested in art since childhood and dabbled in painting, drawing and ceramics for many years. She has regularly taken photos of people and still life scenes and then done drawings and paintings of the subjects. Living and traveling around the U.S. and foreign locations with her husband while he was in the U.S. Air Force gave her numerous exposures to a variety of scenery and people. It was not until about twenty years ago that she began taking classes in ceramics and painting and started to seriously pursue her art interests. Her interest in drawing and painting horses came from her enjoying teenage barrel racing competitions.

Since moving to the White Mountains of Arizona in 2005 she has been regularly taking art classes at Northern Pioneer College and doing many clay/ceramics and painting projects. After years of watercolor painting she is now going back to the oil painting medium.
